

Fifth Grade Supply List

Pinnacle Pointe Academy

Hello! Welcome to the 5th Grade.

Please send your student to their first day with the following items for their desk.

Pencils - Mechanical preferred, .9mm work great (**I do not have lead**), otherwise please provide several boxes of standard yellows

Pens - I have plenty of blue and red, none needed

Highlighters - A couple in different colors will be helpful

Paper - 6 composition style notebooks of your choosing

Folders - 2 basic folders of your choosing.

Art box - A small art box with 12-24 pack of colored pencils, scissors, glue stick, manual sharpener, ruler with in/cm should do.

Books - Your student should always have a book to read. My library is available to use.

Expo markers - Please bring 5-6 for the room.

If you are able to contribute to the classroom we are always in need of these items:

- **Expo Markers** - We use a tremendous amount.
- **Sanitizer Wipes** - We use a tremendous amount.
- **Paper towels** - I use these more often than paper plates for treats etc.
- **Hand sanitizer**
- **Facial tissues**

See you soon! Mr. Wernsing

Thank you!
