

Fifth Grade Supply List

Pinnacle Pointe Academy

2020 – 2021 School Year

Hello! Welcome to the 5th Grade.

Please send your student to their first day with the following items for their desk.

- **Pencils** - Mechanical preferred (**I do not have lead**), otherwise please provide several boxes of standard yellows.
- **Pens** - I have plenty of blue and red, none needed.
- **Highlighters** - A couple in different colors will be helpful.
- **Paper** - 6 composition style notebooks of your choosing. **No loose binder paper needed!** I'm drowning in it.
- **Binder/folders** - A small 2" binder is useful, and a couple/three folders to help organize homework and projects.
- **Art box** - A small art box with an appropriate (read small) selection of your child's preferred coloring medium is awesome.
 - A scissors that fits would be great to include
 - A small manual pencil sharpener is even better (germs)
 - Please keep in mind the size of our desks. Sadly, I will be forced send large art boxes home.
 - No glue needed - I have a bunch
- **Books** - Your student should always have a book to read. My library is available to use.
- **Ruler** - inches and cm

If you are able to contribute to the classroom we are always in need of these items -

- **Hand sanitizer** - Several jugs
- **Facial tissues** - Several boxes
- **Expo Markers** - We use a tremendous amount.
- **Sanitizer Wipes** - We use a tremendous amount
- **Paper towels** - I use these more often than paper plates for treats etc.
- **Cardstock** - is nice, white or basic colors

See you soon!

Mr. Wernsing
